

Principal's message

As we approach the end of another unusual academic year, we have much to celebrate.

Following the super performance of our England football team at the Euros, the children have had fun Sports Days on the school field – racing against the children in their class with both determination and skills; cheering each other on, and showing great sportsmanship. There has been much in the press about the derogatory and racist language targeted at the England players, when they did not win the final: we addressed this on Monday in assembly, and I have included their words here because I thought you'd like to read what your children wanted to say to the players. What super, positive, and empathetic children you have.

The sun is shining, have a great weekend.

Ms Bromley

Upcoming Diary Dates:

22nd July	Summer festival
26th July (4pm—5.30pm)	Year 6 Farewell Party
27th July	Year 6 Leavers' Lunch and Award Ceremony
27th July	Last day of term
2nd Sept	First day of Autumn term

School Reports

If you wish to discuss your child's end of year report, please contact the class teacher to arrange a time.

Staff News

This week, we bid a fond farewell to Miss Davidson. At the end of term we will also say "Goodbye and Good Luck" to Miss Smith (Class 6), and Miss R Callaghan (Class 11), as well as Miss Banks (Class 15). Our thanks go to each one of them, for the unique and positive way in which they have contributed to our school. We wish them all the very best.

Next term, we will welcome: Miss Ward (Year 1), Miss Docherty (Year 2), Miss Cowen (Year 3) and Miss Brown (Year 6)

Well done! You scored a goal.

Don't give up – you made us proud.

Nice job, Harry Kane!

Excellent job!

Congratulations England – next time, you'll win.

We all support you.

You are the best.

Good job! You can do it again.

That was a good game and hold your heads up high. You tried your best and next time I know you will win.

I am proud of you.

Great saves, you really helped our team.

Some great teamwork for the goal.

We still got there together.

Never give up!

We all appreciate your effort.

You are great players and have represented our country well.

Keep believing in yourselves.

Improvements to the school environment

The building work is going well, and we are on track to complete at the end of July. In September, we will have a super new Reception unit, and a brand new, enhanced provision for some of our pupils with Special Educational Needs. Our new 'Nest' will be used flexibly, according to the needs of each child, with individual and group learning sessions planned in order to secure the best progress for each pupil. As soon as the classrooms are set up, we will send out videos via DoJo, so you can see how fabulous it will be for your children.

Health and Safety

As national Coronavirus restrictions are lifted on July 19th, we will continue to maintain our school routines to avoid risk of transmission of the virus. While there will be a relaxation of rules in many public spaces, you will be fully aware that cases locally amongst our families and friends are high. We want to avoid entering the summer holidays with staff and children being ill. For this reason, I'm afraid that parents will not be able to attend any of our school events this term.

Please continue to communicate any positive cases or contacts with me, and I will treat each on a case by case basis. I will continue to inform you if your child is likely to have had contact with a positive case. I will always try to keep classes open, but will prioritise the health of our community when taking decisions.

Thank you for your support in this aspect of managing risk and keeping our school community as healthy as possible.
