

## **Ambleside Academy re-opening 8th March 2021**

### **Summary of information for parents**

Let's work together to get to the Easter holidays, safe and well! Please support us in establishing the following risk controls:

- Social Distancing must be observed at all times
- Adults must wear face coverings on site (unless agreed with the Principal). Please expect to be asked to wear a face covering if you have forgotten.
- Main Gates are for EYFS only — 8:30am drop off
- Minver and Hilcot Gates for KS1 and KS2 — 8:40-9:00am drop off
- Pick up times: reception 2:50pm, KS1 and KS2— 3:00-3:15pm
- Friday pick up is at 11:50am for reception children and 12:00-12:15pm for KS1 and KS2
- Only one adult to accompany on playground—others will be asked to wait outside the gates
- Staff on duty on playground in morning and at end of day, so children may go to their classes unaccompanied if you choose
- Please stand on the spots until it is time to enter, and while waiting for children to exit
- Children must wash their hands before entering the classroom
- Parents must park considerately, and observe the yellow road markings so all children are safe
- Children must bring their own water bottle - already full of water—and take it home again each day to be washed and refilled. Children must have water, not squash, in their classroom drinking bottle. Squash/juice is only to have with their lunch
- Children will eat lunch in their classrooms
- Please ensure we have the correct phone number for you - we need to be able to contact you
- Please do not send children to school if they are poorly
- The children will be reminded of the Behaviour Policy on Monday, when they refresh safety routines and expectations with their teachers
- Rainbow places on Friday afternoons are confirmed for all those who have requested it. Pick up at 3:15pm at Hilcot Drive. Applications are now closed.
