

Principal's Message

Dear Parent/Carers

Year 5 have had a great trip to London this week. I was in regular contact with the group throughout their time away and was always pleased to hear such positive updates. I will write to parents of the current Year 4 pupils to check the feasibility of the trip next year. We know it's a costly trip, but if there is enough interest to make it viable, I will do what I can to keep this amazing experience up and running.

"It was a pleasure to take such enthusiastic and well behaved children, who were so polite to members of the public" Mrs Eaton, Y5 teacher

"I liked the Wonderlab in the Science Museum because you could test friction on different slides. I also really liked watching the Lion King show and my favourite character was Little Simba" Ollie, Class 17

And your generosity with Harvest Donations was overwhelming. We took three full carloads of foods and treats to the Framework, London Road centre, and staff there were extremely grateful. The children have shown great compassion and enjoyed giving and sharing.

Thank you.

Ms J Bromley
Principal

Upcoming Diary Dates:

10 th Oct	Class 21 Parents welcome to class assembly at 2.30pm
14 th Oct	Class 11 &12 to Brackenhurst
15 th Oct	Open afternoon
16 th Oct	Parents' evening
17 th Oct	Class 10 to Brackenhurst

Homework projects

There are some amazing homework projects displayed in school at the moment. Thank you for all your hard work creating and crafting with your children. This week, we must give a special mention to Kelsey in Class 11 for her Stonehenge, and to Abbie in Class 10 for her Cave with Stone Age artwork – your homework projects are stunning!

This work really shows what the children are learning and remembering.

Parentpay: make sure you have registered for Parentpay as we will be cash free after Christmas!

Year 3 Stone Age Day at Brackenhurst

The day will be spent outdoors and it is likely to be wet. The children must wear Wellies and have Waterproofs!
