

## Principal's Message

Dear Parent/Carers

We have loved having you in school this week for 'Stay and Learn' sessions in each class. The children enjoyed showing you their work, and having additional adult helpers in class – it was great to see parents having a go at artwork, writing, and maths challenges related to the topics. Thank you so much to those of you who gave up time to support your children's learning.

We look forward to welcoming more of you into school next week to find out about how and what your children are learning. There are Phonics Workshops for parents of F2 and Y1 children (Classes 1, 2, 3, 4, 5 and 6) on Thursday 3<sup>rd</sup> October at 9:00am. Please come round to the Hall after dropping your children off. Parents of older children are of course welcome too, if you want to find out about the early stages of teaching children to read and write.

On Friday, after school, Year 2 Parents (Classes 7, 8 and 9) are invited into classes to find out all about Year 2 SATs (which will take place next May). Please come along to learn, find out and ask questions about statutory assessment at the end of Key Stage 1!

Thank you for your continued support.

Ms J Bromley  
Principal
