

Here are a few more online websites that children can access to help them to keep learning.

Please let your children explore the following:

<http://www.crickweb.co.uk/>

The children can select again Early Years, Key Stage 1 or Key Stage 2 and then their year group.

You can help continue making your child become a super mathematician. There are also links to science learning, English, history, geography, RE and even Spanish!

<https://www.mathplayground.com/>

Another great website for super learning. Encourage your child to try in out in their online learning time. Just like those above select their year group

<https://www.gonoodle.com/good-energy-at-home-kids-games-and-videos/>

Some fun for all the family. Get moving at home!

<https://uk.ixl.com/>

Your child can access fun maths and English learning on this website.
