

Guide to redeeming your e-giftcard.

An email will be sent to the email address we have for you giving you an e-code and instructions

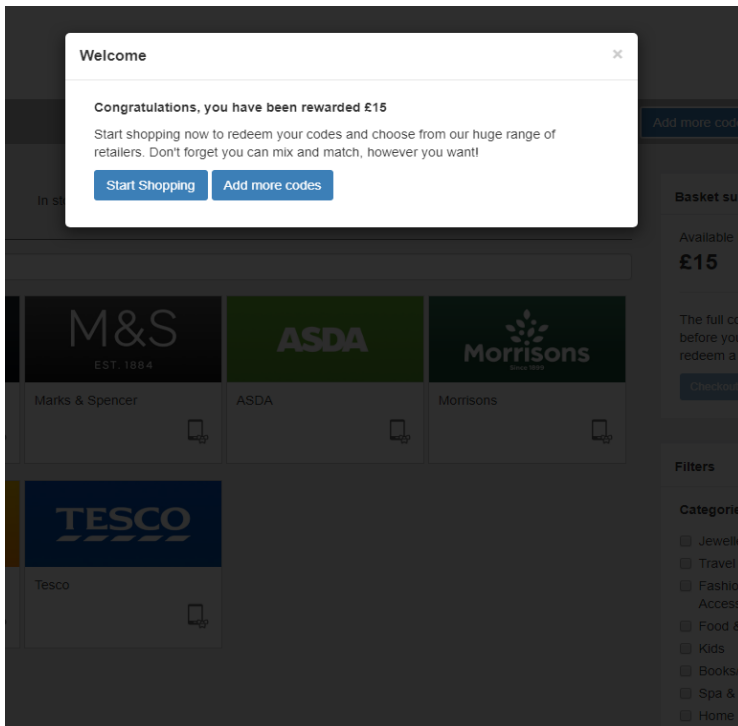

Before you start take note of the ecode/s you want to redeem.

This will take you a another site which will look like this

Enter your code in the box and press the redeem button

The next page you see should look like this

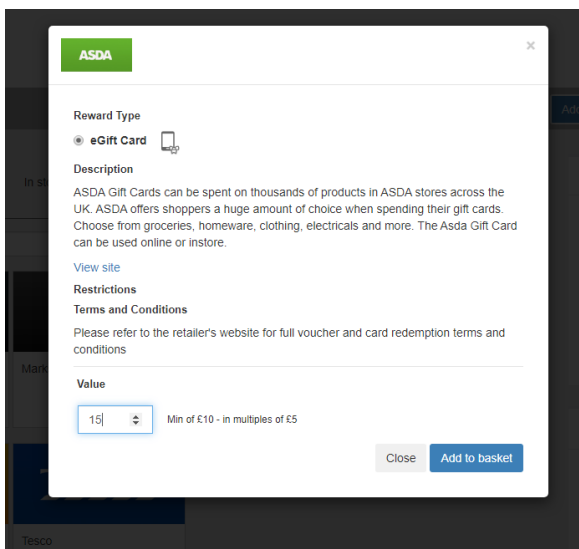

If you have more than one ecode then press add more codes and enter the next code. Then select add code and repeat if you have more codes. When done press close button on the bottom right.

If you only have the one code then press start shopping.

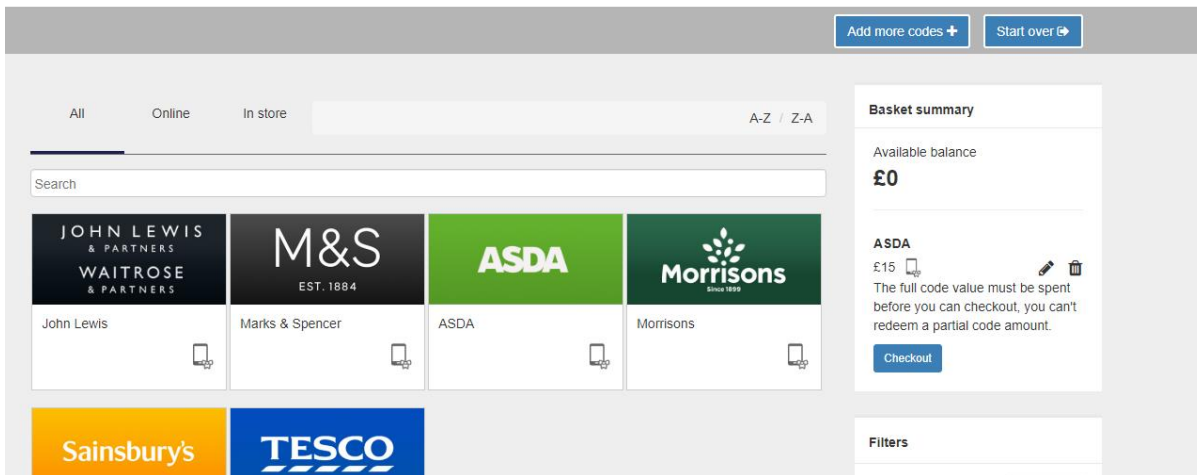

Select which supermarket you wish to use your e-gift at.

The next page you should see will be this

Enter the total amount of e-gift card/s you have added and press add to basket button.

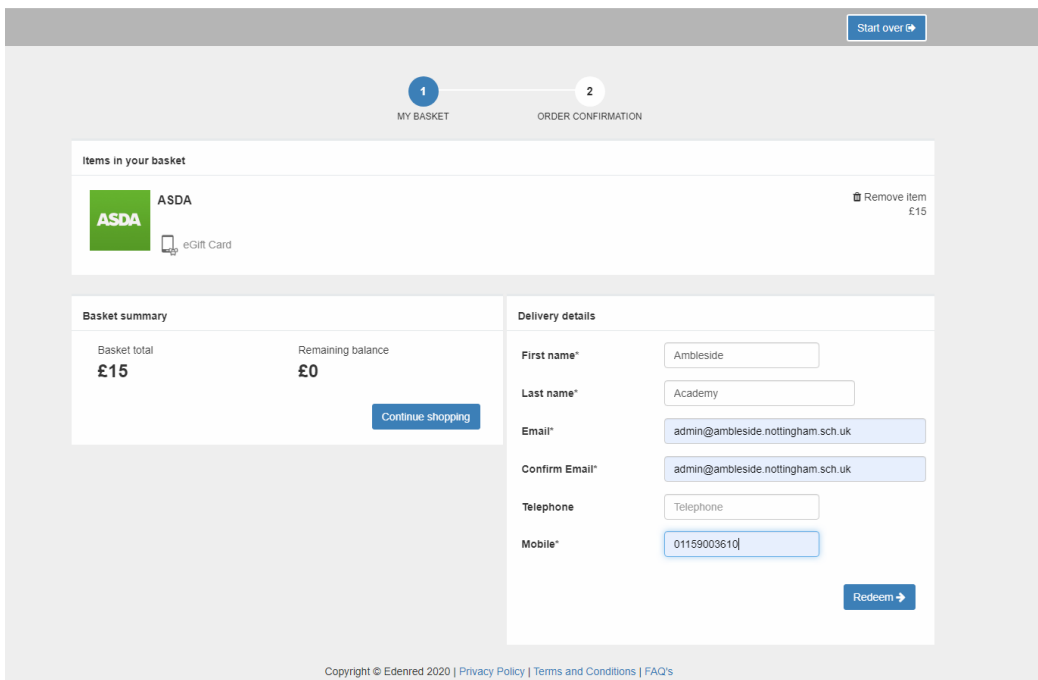

The next page will look similar to this one

Press the checkout button

This will take you through to another page where it will ask for some details, please fill in with your name, email address and phone number and press redeem. It will then give you an order confirmation (take note of the number or snapshot on your phone).

You should receive an email to the email address you entered below, depending on how busy the site is, this can be straight away but should be within 24 hours.

If you do not receive your e-gift card within 48 hours then please email Edenred at freeschoolmealsparentscarers@edenred.com remember to quote your order reference number.
