Principal: Ms J Bromley

1st May 2020

Dear families,

Next week we will be starting to award Shine certificates again!

The teachers will send names to Miss Johnson and she will prepare the certificates and get them mailed out to you. Children, if you are working really hard, email your teacher to show them or tell them about your work. Parents and carers, if your child has done something amazing - with school work or otherwise – then email the teacher via their year group email and they will consider this when choosing who will get Shine each week.

Staff will be delivering new work packs in the next few days. Look out for them when you hear the letterbox – they each walk close to 10 miles on each delivery day, so that you can continue with your studies. If you can, give them a wave and a cheer, and this will motivate them on their rounds and make them happy.

I'm glad to say that the team are all still well, and working hard whether at home or at school. You're also doing a great job out there, keeping your children home and safe. If ever you're finding it tough, give us a call at school and we'll arrange for the teacher to phone you and try to help.

School will be closed on Friday 8th May, as it's a Bank Holiday and all or essential workers have told me that they are able to have their children at home with them.

Best wishes to you all.

Ms Bromley
