

# BEING TOGETHER

MS BROMLEY'S FIRST 'REMOTE' ASSEMBLY

JUNE 1<sup>ST</sup> 2020

# HOW HAS IT FELT TO SEE EACH OTHER AGAIN?

Hold up your whiteboards

- Adults?
- Children?

It is natural that we may have felt a bit apprehensive before school today, but once we saw each other, things became a bit easier

## LET'S CELEBRATE!

- What amazing things have you learnt to do, or got better at during lock-down?
- Use your whiteboards to show me – adults, children...
- What amazing things have you done today? How many times have you reached SHINE?

# OUR COMMUNITY

- It is a very different time for our school community, many things are changed, and many things have stayed the same
- What will help us cope with things being different or strange, is our relationships – the way we communicate with each other, the way we are considerate with each other

# WHEN THINGS ARE DIFFERENT

- Being together as a community helps us
- Being kind to each other helps us
- A smile, or eye contact helps us
- Saying 'thank you' and feeling grateful helps us

Let's say our school prayer together
