

### EYFS Children – Nursery and Reception

It has been lovely to welcome all of the children back to school. We would like to thank you for your support with the staggered start, and different entry points. We know it was too crowded, however, and confusing for some families, while being frustrating for others.

We always aim to do our very best for all of our pupils and parents, and as a result we will make the following changes for drop off and pick-up at school. **We will change EYFS drop-off to all classes at the main gate. Nursery (cubs) 1.Owlet, 2. Froglet, 3. Snakelet**

#### Drop off arrangements

- We will open the gates at the main gate entrance and teachers will wait for their classes on the drive. Parents should stay at the top of the drive and teachers will stay at the bottom of the drive.
- When you drop your child off you must observe social distancing.
- **We ask that only one adult attends the site per family.**
- You will be able to kiss, cuddle and wave bye to your child from the top of the drive as you watch them go down the drive to their class teacher.

#### Collection arrangements

- To collect your child we ask that you arrive at the main gate at your allocated time and socially distance, and class teachers will dismiss the children to you from the gate. Please stay well spaced-out, in respect of other parents

Class	Start time	End time	Gate
