

Principal's Message

Dear Parent/Carers

We have a super new resource in school – it's called the CoJo box!

Year 6 have used the resource for a full day of adventures on the field – developing character strengths such as resilience, communication and teamwork. Year 5 have also tried some of the CoJo challenges, and are now preparing for their Viking Adventure Day on 14th October

We may not be able to go on trips, but we will do our best to enhance and enrich our school curriculum while making best use of our amazing school grounds.

Have a good weekend!

Ms J Bromley

Principal

Home Learning

No sooner had class 9 been sent home to isolate, than Miss Milns had set up her home classroom and started teaching from her kitchen! We listened to what you said about the teacher needing to show what to do before the children could start their work at home with you, so Miss Milns has filmed her reading and writing and maths inputs, day by day, to get the children started. Please go to the school website, select Curriculum, and Home Learning, and get started! The teacher will phone you to see how you are getting on, so please be ready to talk about your work.

Move over Joe Wickes, Mr Edwards has also filmed his daily PE workout challenge, so get your kits on and join in at the sound of the whistle!
