18th March 2021

Dear Parents and Carers,

We are always very sad to have to shut down classes, but what is clear is that Coronavirus is as contagious as ever, and that it is imperative that we continue to abide with Lockdown Restrictions.

We are still in a Lockdown situation, so children should come straight home from school; play in their own homes and gardens; and only mix within support bubbles.

Please take note if a member of the family show symptoms. If anyone in the household has symptoms, or is awaiting test results, please keep everyone at home. Let us know through the usual absence reporting systems – you will not be penalised for non-attendance if it is due to suspected Covid-related illness. Do not send children to school if you suspect they may have had contact with someone who has:

- A new or continuous cough
- A high temperature
- Loss of taste
- Loss of smell
- Additional symptoms which include headaches, achy and tired limbs, and nausea

We do not want incidences within our locality to rise, and result in an extension to the Lockdown period, and further illness and distress to families. And we want our school to be fully open.

Class 20 – Koala Class reopens on Monday 22nd March

Class 6 – Hatchling Class reopens on Monday 22nd March

Class 18 – Swan Class reopens on Friday 26th March

Class 13 – Zebra Class reopens on Monday 29th March

Class 9 – Calf Class reopens on Monday 29th March

These class teachers are providing remote learning via Class DoJo and Home Learning Packs. Please upload your child's work daily, for marking and feedback.

Stay safe everyone!

Ms Bromley
