Progression of Skills: Geography

Direction / Location	<i>I can follow directions (up/down, left/right, forwards/backwards, near/far) to describe location of features and routes on a map.</i>	<i>I can follow simple compass instruction directions: North, South, East and West. I can describe how to get to the features on a map or tell someone how to follow routes on a map by using North, South, East and West.</i>	<i>I can use 4 compass points to follow/give directions when using a map and tell someone the direction in which to go from a map. I can use letter/number co-ordinates to locate features on a map.</i>	<i>I can use 4 compass points well to follow and give directions when using a map. I can begin to use 8 compass points. I can begin to use 4 figure grid references to locate features on a map.</i>	<i>I can use 8 compass points. I can accurately use four figure grid references on a map.</i>	<i>I can use 8 compass points confidently and accurately. I can use 4 figure co-ordinates confidently to locate features on a map. I can use 6 figure grid references and use latitude and longitude on atlas maps.</i>
Drawing maps	<i>I can draw picture maps of imaginary places and from stories.</i>	<i>I can draw a map of our school e.g. add detail to a sketch map from an aerial photograph or plan perspectives.</i>	<i>I can draw a map of a short route experienced in our local area, with features (physical and human) in the correct order. I can try to make a simple scale drawing.</i>	<i>I can make a map of a short route experienced, with features in the correct order. I can make a simple scale drawing.</i>	<i>I can begin to draw a variety of thematic maps based on my own data.</i>	<i>I can draw a variety of thematic maps based on my own data. I can begin to draw plans of increasing complexity.</i>
Representation	<i>I can use my own symbols to create an imaginary map.</i>	<i>I can use class agreed symbols to make a simple key.</i>	<i>I can recognise a key and know why a key is needed. I can recognise and use some simple OS symbols.</i>	<i>I can explain clearly why a key is needed and use this accurately when drawing a map. I can begin to recognise symbols on an OS map.</i>	<i>I can draw a sketch map using symbols and a key. I can use and recognise OS map symbols.</i>	<i>I can use and recognise OS map symbols. I can use atlas symbols.</i>

Dream Believe Shine

Ambleside Academy

Progression of Skills: Geography

Style of map	I can use picture maps and globes to identify the United Kingdom and its counties and locate the surrounding seas.	I can find the world's seven continents and five oceans on a world map, globe or atlas.	I can use large scale OS maps. I can begin to use map sites on the internet. I can use junior atlases to identify the United Kingdom and European countries. I can begin to identify features on aerial/oblique photographs.	I can use large and medium scale OS maps. I can use junior atlases. I can use map sites on the internet. I can identify features on aerial/oblique photographs.	I can use index and contents pages within atlases. I can use medium scale land ranger OS maps.	I can use OS maps. I can confidently use an atlas. I can recognise world maps as a flattened globe.
