Literacy			
	Comprehension	Word Reading	Writing
3-4years	Understand the five key concepts about print: print has meaning, print can have different purposes, we read English text from left to right and from top to bottom, the name of the different parts of a book, page sequencing.	Develop their phonological awareness so that they can: <ul style="list-style-type: none"> spot and suggest rhymes Count or clap syllables in a word Recognise more words with the same initial sound Engage in extended conversations about stories, learning new vocabulary.	Use some of their print and letter knowledge in their early writing. Write some or all of their name.
Reception	Re-read what they have written to check that it makes sense.	Read individual letters by saying the sounds for them. Blend sounds into words, so that they can read short words made up of known letter-sound correspondences. Read some letter groups that each represent one sound and say sounds for them. Read a few common exception words matched to the school's phonic programme. Read simple phrases and sentences made up of words with known letter-sound correspondences and where necessary, a few exception words. Re-read books to build up their confidence in word reading, their fluency and their understanding and enjoyment.	Form lower-case and capital letters correctly. Spell words by identifying the sounds and then writing the sound with letter/s. Write short sentences with words with known sound-letter correspondences using a capital letter and full stop.
Early Learning Goals	Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. Anticipate – where appropriate – key events in stories. Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play.	Say a sound for each letter in the alphabet and at least 10 digraphs. Read words consistent with their phonic knowledge by sound-blending. Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.	Write recognisable letters, most of which are correctly formed. Spell words by identifying sounds in them and representing the sounds with a letter or letters. Write simple phrases and sentences that can be read by others.

Mathematics		
	Number	Numerical Patterns
3-4years	<p>Fast recognition of up to 3 objects, without having to count them individually (subitising). Recite numbers past 5. Say one number for each item in order: 1,2,3,4,5. Know that the last number reached when counting a small set of objects tell you how many there are in total (cardinal principle). Show finger numbers up to 5. Link numerals and amounts. Experiment with their own symbols and marks as well as numerals. Solve real world mathematical problems with numbers up to 5.</p>	<p>Compare quantities using language 'more than', 'fewer than'. Talk about and explore 2D and 3D shapes using informal and mathematical language. Understand position through words alone. Describe a familiar route. Discuss routes and locations. Make comparisons between objects relating to size, length, weight, capacity. Select shapes appropriately. Combine shapes to make new ones. Talk about and identify the patterns around them. Extend and create ABAB patterns. Notice and correct an error in a repeating pattern. Begin to describe a sequence of events, real or fictional.</p>
Reception	<p>Count objects, actions and sounds. Subitise. Link the number symbol (numeral) with its cardinal number value. Count beyond ten. Compare numbers. Understand the 'one more than/one less than' relationship between consecutive numbers. Explore the composition of numbers to 10.</p>	<p>Automatically recall number bonds for numbers 0-10. Select, rotate and manipulate shapes in order to develop spatial reasoning skills. Compose and decompose shapes so that children recognise a shape can have other shapes within it, just as numbers can. Continue, copy and create repeating patterns. Compare length, weight and capacity.</p>
Early Learning Goals	<p>Have a deep understanding of number to 10, including the composition of each number. Subitise (recognise quantities without counting) up to 5. Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts.</p>	<p>Verbally count beyond 20, recognising the pattern of the counting system. Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity. Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.</p>

Understanding the World			
	Past and Present	People, culture and communities	The Natural World
3-4years	Begin to make sense of their own life-story and family's history.	Show interest in different occupations. Continue to develop positive attitudes about the differences between people. Know that there are different countries in the world and talk about the differences they have experienced or seen in photos.	Use all their senses in hands-on experiences of natural materials. Explore collections of materials with similar and/or different properties. Talk about what they see, using a wide vocabulary. Explore how things work. Plant seeds and care for growing plants. Understand the key features of the life cycle of a plant and an animal. Begin to understand the need to respect and care for the natural environment and all living things. Explore and talk about different forces they can feel. Talk about the differences between materials and changes they notice.
Reception	Comment on images of familiar situations in the past. Compare and contrast characters from stories, incl. figures from the past.	Talk about members of their immediate family and community. Name and describe people who are familiar to them. Understand that some places are special to members of their community. Recognise that people have different beliefs and celebrate special times in different ways.	Draw information from a simple map. Recognise some similarities and differences between life in this country and life in other countries. Explore the natural world around them. Describe what they see, hear and feel whilst outside. Recognise some environments that are different to the one in which they live. Understand the effect of changing seasons on the natural world around them.
Early Learning Goals	Talk about the lives of the people around them and their roles in society. Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. Understand the past through settings, characters and events encountered in books read in class and storytelling.	Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class. Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and – when appropriate – maps.	Explore the natural world around them, making observations and drawing pictures of animals and plants. Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.

Expressive Arts and Design		
	Creating with Materials	Being Imaginative and Expressive
3-4years	<p>Explore different materials freely, in order to develop their ideas about how to use them and what to make.</p> <p>Develop their own ideas and then decide which materials to use to express them.</p> <p>Join different materials and explore different textures.</p> <p>Create closed shapes with continuous lines, and begin to use these shapes to represent objects.</p>	<p>Take part in simple pretend play, using an object to represent something else even though they are not similar.</p> <p>Begin to develop complex stories using small world equipment.</p> <p>Make imaginative and complex 'small worlds' with blocks and construction kits.</p> <p>Draw with increasingly complexity and detail.</p> <p>Use drawing to represent ideas like movement or loud noises.</p> <p>Show different emotions in their drawings and paintings.</p> <p>Explore colour and colour mixing.</p> <p>Remember and sing entire songs.</p> <p>Sing the pitch of a tone sung by another person.</p> <p>Sing the melodic shape of familiar songs.</p> <p>Create their own songs or improvise a song around one they know.</p> <p>Play instruments with increasing control to express their feelings and ideas.</p>
Reception	<p>Explore, use and refine a variety of artistic effects to express their ideas and feelings.</p> <p>Return to and build on their previous learning, refining ideas and developing their ability to represent them.</p> <p>Create collaborative sharing ideas, resources and skills.</p>	<p>Listen attentively, move to and talk about music, expressing their feelings and responses.</p> <p>Watch and talk about dance and performance art, expressing their feelings and responses.</p> <p>Sing in a group or on their own, increasingly matching the pitch and following the melody.</p> <p>Develop storylines in their pretend play.</p> <p>Explore and engage in music making and dance, performing solo or in groups.</p>
Early Learning Goals	<p>Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.</p> <p>Share their creations, explaining the process they have used.</p> <p>Make use of props and materials when role playing characters in narratives and stories.</p>	<p>Invent, adapt and recount narratives and stories with peers and their teacher.</p> <p>Sing a range of well-known nursery rhymes and songs.</p> <p>Perform songs, rhymes, poems and stories with others, and – when appropriate – try to move in time with music</p>
